

# Simplify Your Sourcing

Gaming & Sports Betting

The First and Only Call for All Your Needs

# Global Reach, Local Availability, Quality Products.

SUZOHAPP serves operators with a vast variety of aftermarket parts and solutions. As a parts expert, we help keep your revenue stream uninterrupted by providing high quality components for increased machine performance, upgrades, and easy-to-install 1:1 replacements. SUZOHAPP has maintained a long legacy of quality products and

high-level customer service. We take pride in our global network of vendors, suppliers, and partners. Together, we can source, distribute, and offer thousands of products in order to better serve our increasingly global customer-base. Make SUZOHAPP your first call and it will be the only call you'll need to make.

We commit to not just selling items to you, we commit to a relationship. We are more than just a ready supply of aftermarket parts and quick customization capabilities; we are a focused, knowledgeable partner in the gaming, amusement and sport betting industries eager to help your business succeed.

## About US

SUZOHAPP is a world leader in the manufacturing and distribution of gaming, amusement, and sports betting products. Serving operators and OEMs for over 60 years, SUZOHAPP carries a vast portfolio of components available for immediate distribution and for developing custom built solutions. More information, along with a comprehensive online components catalogue, is available at [www.suzohapp.com](http://www.suzohapp.com).

# Elo Touch Solutions

## Distributed globally by SUZOHAPP

World-Class Quality, Global Approvals and Support

Elo is the world leader in commercial touch with over 20 million installations, half a million units per year, nearly 2,000 units per day. And SUZOHAPP is the world's largest distributor of this premium open frame product line.

Engineered and designed specifically for the demanding requirements of the gaming industry, the 90-Series open-frame displays feature integrated touch technology rather than glued-on additions.

Select from a wide range of sizes from 10" to 27" to fit in any gaming environment. Elo products extend the range to 70".

- ▶ Next generation Projected Capacitive (PCAP) 2GS technology (2 glass solution)
- ▶ Highest optical quality and longevity as no plastic films, no metal mesh
- ▶ 10-touch true-flat solution
- ▶ Thru-glass mode which operates through up to 6 mm customer-supplied glass
- ▶ Common mechanical and electrical components across the line for easy design-in, compliance testing, service, and transition between sizes
- ▶ HDMI, DisplayPort, VGA inputs, with common port design across all units
- ▶ Built-in watertight edge seal
- ▶ Magnetic tethered OSD control box
- ▶ Unique field-replaceable touchscreen glass design
- ▶ Global agency approvals: United States UL, FCC; Europe CE TÜV; Australia RCM; Canada cUL, IC; China CCC; Japan VCCI; Korea KCC; Mexico CoC; Taiwan BSMI; International CB; RoHS
- ▶ Passes UL and IK07 Ball Drop tests
- ▶ 50,000 hour demonstrated MTBF
- ▶ 3-year standard global warranty
