Cashflow MEI SCN8347 Advance

Part nr. M252008148P1

The SC Advance banknote validator features enhanced recognition technology, faster note-to-note speed, and increased capacity to accept up to 100 different currencies and denominations.

It has the top-quality first-time acceptance rate for valid street-grade notes, including those that are damp, crinkled, or torn.

Why choose the SC Advance banknote validator?

- ▶ Shortened transaction time
- ▶ Lowest total cost of ownership
- ▶ Maximized machine uptime / throughput
- ▶ Maintenance-friendly
- ▶ Multiple extensions and options for a tailored solution
- ▶ Seamless upgrade to real-time connectivity
- ▶ Delivers robust accounting
