

SUZOHAPP: a complete source for gaming and sportsbetting components and cash handling solutions at ICE

SUZOHAPP – a leading technology company with over 50,000 gaming, amusement, sports betting, lottery and bingo products for casino operators and Gaming OEMs – is exhibiting ICE on **booth #N3-130** and will showcase a comprehensive offering of components and solutions for Gaming, Amusement, Sport Betting, Lottery and Bingo applications

SUZOHAPP's showing includes, but is not limited to, LCD monitors featuring excellent brands, such as Elo Touch Solutions and SUZOHAPP's VisionPro, in addition to a rich selection of cabinet parts, such as bill validators, printers, coin mechanisms, LCD button decks, pushbuttons, barcode scanners, locks, toppers, and more.

Additionally, SUZOHAPP is a leading software and hardware supplier of complete cash management solutions typically found anywhere from cashier cages to large-scale back office operations. At this year's ICE, SUZOHAPP will model a cashier's cage demonstration and present a rich selection of cash management solutions coupled with its CashComplete Connect monitoring software.

SUZOHAPP's booth will feature three main themes for its visitors: OEM casino components, sports betting components and the cash handling components and solutions for the cashier cage and back office.

The following SUZOHAPP products will be on display:

OEM components

- SUZOHAPP offers an extensive range of customizable monitors for OEMs, Casinos, Signages, Bingo and Lottery. As a major highlight, SUZOHAPP will be showcasing its new VisionPro Edge-Lit LED Touch and Non-Touch monitors as well as the Elo Touch Solutions Open-Frame Gaming monitors
